

Congratulations Graduates!

Jianwei Chen

"Parallel Simulation of Chip Multiprocessor"

2007 MS EE University of Southern California

Dr. Michel Dubois, Advisor

Apoorva Jindal

"IEEE 802.11 is Good Enough to Build Wireless Multi-hop Networks"

2002 BTech IIT Kanpur
2007 MS EE University of Southern California
2009 PhD EE University of Southern California

Dr. Konstantinos Psounis, Advisor

Wei-Cherng Liao

"Performance and Incentive Schemes for P2P Systems"

1998 BS EE National Taiwan University
2000 MS EE National Taiwan University
2009 PhD EE University of Southern California

Dr. Kostas Psounis, Advisor

Xiaosong Lou

"Peer-to-Peer Content Networking with Copyright Protection and Jitter-free Streaming"

1994 BS EE Shanghai Jiaotong University
2005 MS EE University of Southern California
2009 PhD EE University of Southern California

Dr. Kai Hwang, Advisor

Zhaoliang Pan

"Error-rate and Significance Based Error-rate (SBER) Estimation via Built-in Self-test in Support of Error-tolerance"

1997 BS EE Peking University
2000 MS EE Peking University
2009 PhD EE University of Southern California

Dr. Melvin Breuer, Advisor

Ramakrishna Soma

"Applying OWL for Information Management in Domains with Semi-structured Data"

1999 BE CSCI University of Mysore
2004 MS EE University of Southern California
2009 PhD EE University of Southern California

Dr. Viktor Prasanna, Advisor
